Leadership Food Drive

For the next two weeks from May 10-20, we will be "Sharing Food Feeding Hope" for the Kamloops Food Bank. When students bring in a non-perishable food item, please have them place them in the yellow/white bins, used for hot lunches, which are in your classrooms. During recess, leadership students will come around and collect the food. The food will then be stored on the stage until it is taken to the food bank at the end of the week. Thank you very much with your support in this endeavour.
